

# CIGNA Voluntary

Corporate Fact Sheet 2009

[www.cignavoluntary.com](http://www.cignavoluntary.com)

## Corporate Overview

CIGNA Voluntary is a leading provider of limited-benefit health plans\* for hourly employees, serving industries such as hospitality, retail, staffing, and construction. These benefit plans offer an affordable health insurance option to employees while helping employers reduce turnover, improve recruiting and stabilize benefit expenses within their hourly workforce.

CIGNA Voluntary is a division of CIGNA HealthCare. With more than 47 million lives covered in the U.S. and internationally, CIGNA HealthCare provides employers with benefits, expertise and services that improve the health, well-being and security of their employees. CIGNA's operating subsidiaries offer a full portfolio of medical, dental, behavioral health, pharmacy and vision care benefits and group life, accident disability insurance.

## About Starbridge

The Starbridge limited-benefit health plan, offered by CIGNA HealthCare, meets the day-to-day needs of today's hourly workforce. Starbridge is offered at a price that fits their financial situation, beginning at only one to two hours pay per week.

Starbridge allows customers to build a 'bridge' towards traditional medical coverage by becoming educated consumers of the health care industry through a quality combination of consumer-decision tools, including:

- 24-Hour Nurse Line
- Award-winning CIGNA Employee Assistance Program<sup>SM</sup>
- Health Information Library
- Online access to [www.starbridge.com](http://www.starbridge.com)

## Starbridge Plan Benefits

- Access to CIGNA'S expansive network of health care providers
- Coverage for annual wellness and well-woman exams
- Point-of-sale pharmacy benefit

\* It is the public position of CIGNA Voluntary that limited-benefit health plans are not meant to replace traditional comprehensive health plans.
